ABOUT US

Welcome to LeArt
(A group company of Isra Middle East).

At LeArt we produce high quality items using the finest leather, PU, polyresin, metal and wood. We also offer a product development service taking new products from the drawing board through to production.

We are a UAE based Manufacturer having facilities in UAE and India. We also work with trusted global manufacturers overseeing production from sampling through to delivery. This enables us to offer flexibility in quantity, and product type, all produced to the same high standards.

We manufacture products for many types of businesses including Hotels, Global Brands, Private Labels, Automobile Dealers, and Interior Designers.
